Important Notes

Meeting Credentials
Your Annual Meeting Credential is your “passport” for enjoying the shareholder-only events and discounts over the weekend. Your credential is mandatory for admission to the various venues. Please be careful to remember your meeting credential when planning to participate in shareholder activities.

Maps/Directions
The locations of Berkshire exhibitors’ booths, as well as maps to Nebraska Furniture Mart, Borsheims, Gorat’s Steakhouse and Peak Performance will be available at Shareholder Services in the CenturyLink Center Lobby and the Berkshire Show Office located in the Exhibit Hall.

Lunch Tickets
Levy Restaurants will have Jason’s Deli pre-pay lunch locations open throughout the CenturyLink Center on Saturday April 30 starting at 8:30am. Purchase your lunch ahead of time so it’s there for you at the lunch break, or whenever you want it. Pre-pay lunch tickets are $14 and can be redeemed for your lunch at any Express Lunch Distribution location.

Americans With Disabilities Act
The CenturyLink Center Omaha is a public facility subject to Title II of the Americans with Disabilities Act (ADA). The facility is accessible to disabled patrons, as required by the ADA and applicable regulations. An ADA entrance is located in the Main Arena Lobby on the 10th Street side of the building. ADA seating is available on the main floor, as well as locations throughout the arena. Event Staff personnel will be available to direct you. ADA parking is located in the parking garage as well as lots B, C and D.

Cameras/Recording Equipment/Cell Phones
Taking photographs and recording audio or video while the annual meeting is in session (including the movie portion), is strictly prohibited. This includes the use of cell phones for these purposes. This policy will be rigorously enforced. Offenders are subject to equipment confiscation, meeting credential revocation, and dismissal from the meeting.

Seat Saving
We have received complaints from some shareholders about excessive seat saving in the Arena the morning of the meeting. Reserving a few seats for your group is certainly acceptable, but blocking off entire rows is unfair to other shareholders. Security will assist in enforcing this policy.
Student Seating
Due to increasing attendance numbers, and in order to not impose on our shareholder seating in the Arena, we are asking the students to view the meeting from the Grand Ballroom at the Omaha Hilton. We have made arrangements for a live broadcast (including the company movie) to the ballroom. When the meeting adjourns for the lunch break, students are welcome to join the shareholders at the CenturyLink Center.

Breakfast and Lunch Fare
A continental breakfast will be served from the concession stands on Saturday morning. In addition to the concession stands in the Arena, there are three located in the Convention Center (Exhibit Hall). Lunch will also be available for purchase from all the concession stands.

The Bookworm (www.BookwormOmaha.com)
The Bookworm will be back with a selection of more than 35 book and DVD titles for you to choose from. Shareholders receive a 20% discount. Shipping service is available.

Shipping Service
Our on-site shipping service will be back and we encourage you to take advantage of the convenience of shopping heavily and traveling home light! Located next to the Show Office in the Exhibit Hall, you may have all of your purchases packed and shipped right on the spot. Please note there is a charge for this service – rates cannot be negotiated and may run a little higher due to limited shipping options. Also note that this service is limited to items that are purchased at the meeting. Insurance can be purchased on items if you are concerned about loss or damage. 

Please Note: This service will close on Friday by 4pm and Saturday by 3pm.

Travel
Make your arrangements for the meeting as early as possible. If you need assistance in arranging lodging, we suggest you contact Travelink American Express.

FOR MEN & WOMEN
Financial journalists from organizations representing newspapers, magazines and television will participate in the question-and-answer period, asking Charlie and me questions that shareholders have submitted by e-mail. The journalists and their e-mail addresses are: Carol Loomis, the preeminent business journalist of her time, who may be emailed at loomisbrk@gmail.com; Becky Quick, of CNBC, at BerkshireQuestions@cnbc.com, and Andrew Ross Sorkin, of The New York Times, at arsorkin@nytimes.com. From the questions submitted, each journalist will choose six or so he or she decides are the most interesting and important. (In your e-mail, let the journalist know if you would like your name mentioned if your question is selected.) In addition, we will have a second group of panelists asking us questions from stage as well.

Neither Charlie nor I will get so much as a clue about the questions to be asked. We know the journalists will pick some tough ones and that’s the way we like it.

We will have a drawing at 8:15 at each of the 11 microphones for those shareholders wishing to ask questions themselves. At the meeting, I will alternate the questions asked by the journalists and panelists with those from the winning shareholders.

Microphone Manners

When asking a question from a microphone zone, please:

- State your name and hometown.
- Ask your question promptly — speak loud & clear.
- Do not ask more than one question or attempt to “bundle” several questions together.
- Do not ask what we are buying or selling. Even if the information is public, we do not discuss how we arrive at our decisions. Any other subjects are fair game.
