

2022 Berkshire Hathaway Annual Meeting

HEALTH AND SAFETY INFORMATION

As part of our commitment to the health and safety of our shareholders, proof of COVID-19 vaccination will be required to attend the 2022 Annual Meeting and the Berkshire Bazaar of Bargains.

Berkshire has partnered with CLEAR Health Pass to help make your entry to the Annual Meeting seamless. The easy, free, and secure health pass can be created with just a few taps on your smartphone. We encourage you to complete your health screening with CLEAR Health Pass ahead of time.

Your one-time enrollment only takes a few minutes and can be done from anywhere. Download the app, tap “Get Started” on the Health Pass button, enter event code BRK2022 to access the 2022 Annual Meeting and follow the instructions.

- Already a CLEAR Member? Just use the email address for your existing membership and snap a selfie to confirm that you are you.
- New to CLEAR? There is no cost to you in using CLEAR Health Pass. Grab your ID (driver’s license or passport) and your phone – then you’ll never need your ID for CLEAR again!

Shareholders who use CLEAR will use Fast Pass doors to gain entry to the CHI Health Center.

For international attendees and shareholders who do not use the CLEAR app, we will have marked doors for you to provide proof of COVID-19 vaccination and proper identification. Digital or hard copy of your COVID-19 vaccination record will be required.
